

## 5M PROJECT TIMELINE

**AUG  
2014**

**COMMUNITY MEETING I:** August 7th  
**COMMUNITY MEETING II:** August 12th

The 5M held two meetings and provided an overview of the project design and proposed community benefits. This included affordable housing, open space, pedestrian safety and economic development.

**OCT  
2014**

**PUBLICATION OF THE DRAFT EIR:** October 15th

The Planning Department released the Draft Environmental Impact Report (EIR) which provides decision-makers and the general public with an objective analysis of the immediate and long range specific and cumulative impacts to the environment.

**NOV  
2014**

**COMMUNITY WORKSHOP AFFORDABILITY:** November 6th  
**COMMUNITY WORKSHOP JOBS & SMALL BUSINESS:** November 10th  
**COMMUNITY WORKSHOP DESIGN & OPEN SPACE:** November 13th

The 5M team held three Community Workshops focusing on Affordability, Jobs and Small Businesses, & Design and Open Space. These workshop topics were derived from the community meetings and neighborhood stakeholders. The workshop on Affordability explored housing types and programs and the inclusion of nonprofit space. The session on Jobs and Small Businesses focused on programs for job barrier removal and the importance of small business to the local neighborhood.

## 5M PROJECT TIMELINE

**JAN  
2015**

The Draft EIR comment period was extended on January 7, 2015. The original date was on December 1, 2015. The community requested to extend the comment period by greater than 30 days.

**FEB  
2015**

**NEIGHBORHOOD DIALOGUE MEETING I:** February 17th  
**NEIGHBORHOOD DIALOGUE MEETING II:** February 18th

In response to the community feedback on the EIR and Land Use, these meetings focused on clarifying the different project alternatives and associated benefits.

**LATE  
SPRING  
2015**

**CONSTRUCTION MANAGEMENT MEETING**

The 5M Team will host a Construction Management Meeting with Residents & Community: This meeting will present an example of a Draft Construction Management Plan.

**DESIGN FOR DEVELOPMENT (D4D) MEETINGS**

In these meetings, we will review the sections of the Design for Development that address architectural design, street and alleys, loading and services, building treatments, planting, and lighting.
